

2nd GLOBAL TEXTILE TECHNOLOGY & ENGINEERING SHOW 2019

[18th - 20th January, 2019, Mumbai, India]

India International Textile Machinery Exhibition (ITME) Society will organize **2nd Global Textile Technology & Engineering Show 2019 (GTTES-2019)** from **18th - 20th January 2019** at Bombay Convention & Exhibition Centre, Goregaon (East), Mumbai. This prestigious Textile Engineering & Textile event is being supported by, Make In India, Ministry of Commerce & Industry, Government of India, Ministry of Textiles, Government of India, Dept. of Heavy Industry, Government of India, Government of Maharashtra, Textile Department, The National Small Industries Corporation Ltd (NSIC). The event is also being supported by Export Promotion Councils AEPC, PDEXIL SRTEPC & TEXPROCIL. In addition, GTTES 2019 is also supported by 48 International Industry Associations, Universities and Media Partners across the globe. India being home to the world's second largest textile industry, India is also a very important market for textile machinery. Specially for:

- Spinning & Spare Parts for Spinning
- Weaving
- Processing
- Digital Printing
- Garment,
- Knitting, & Hosiery
- Embroidery & Braiding
- Technical Textiles
- Dyestuffs & Chemical products
- Textile Machinery for Engineering
- Integrated Textile parks
- Software for Design
- Technical Information Services
- Associated Goods & Services

As such, a very rich collection of textile technology, price competitive high quality textile machinery in all sectors is on display at India GTTES 2019. The exhibition will be spread over 13,500 sq. mtrs, with participation from 23 countries and strength of 400 exhibitors from across the globe. The exhibits will have 13 chapters from raw material to finished products.

This event would be an **excellent platform for textile industry business visitor to meet & network for new business opportunity both with Indian industry as well as other countries**. Organizers would like to invite a business delegation which could comprise of representatives of Cambodian business Associations, textile industries, textile machinery industries and other stakeholders.
