IMC India Calling Conference 2020
[12 March, 2020 Taj Land End, Mumbai]

IMC India Calling Conference 2020 is being held on 12th March, 2020 at Taj Land End, Mumbai, India. Conference will provide comprehensive understanding of opportunities, projects and policies in India for investment and collaboration in the areas of Smart Infrastructure (opportunities in key component of smart cities in digital era like securing cities, smart mobility, smart parking, intelligent transport networks for urban transport, best practices from across India, solid and water waste management, smart health and sanitation, and other) and Green Technology (renewal energy, electric vehicles and batteries, green buildings and lighting, green composting, and other). The participation will also provide a great platform to network with executives and decision makers of Indian companies and of Government authorities relevant to the focus areas of the conference.

Local companies and individuals interested to explore trade and investment opportunities in Smart Infrastructure and Green Technology project and may like to participate in the event. Organizers will also arrange relevant meetings for participating delegates on 13th March, 2020.

For further details of the event, may go to website: https://www.imcnet.org/events-568 or contact Mr. Ajit Mangrulkar, Director General at Email: ajit.mangrulkar@imcnet.org or Mr. Sanjay Mehtra DDG, at +919930241006 or email: sanjaymehta@imcnet.org.
