

Announcement for all Travelers to Cambodia

- **Ministry of Interior of Cambodia is introducing the Cambodia e-Arrival Card on electronic system that would consolidate immigration card, visa application form, customs form, and health information into a single form. This system will be accessible via www.arrival.gov.kh or the Cambodia e-Arrival (CeA) App, which will be available on App Store and Play Store.**
- **The Ministry of Interior will introduce the trial period from 01 January to 30 June 2024. During the trial period, passengers will have the option of filling out the electronic form or standard papers for immigration, customs and health information. The official implementation of the Cambodia e-Arrival Card will begin on 01 July 2024, with all passengers required to complete the above mentioned electronic form.**
